

ORB DATA SHEET

Specifications

General Information

The Q2 Energy Spa was created to realign, balance and enhance the bio energetic levels in water that is then used by the cells of all living things.

Designed and manufactured in Australia it leads the world in non invasive energetic hydro-therapy technology.

This revolutionary system is fully enclosed and allows for every consumable and wearable part to be replaced with ease.

The NEW cable and plug is also more "in tune" giving your consumable rings longer life.

The enhanced design of the NEW ORB allows for less interference from the tracks connecting the various rings to the power source. This means that the ORB can establish a more effective quality of field, **Improved Clarity & Bio-Energy Enhancement** between you and the water.

The innovative NEW Orb is designed & built to comply with the **CE** mark & **UL** requirements.

Technical Information

Latest Innovative Enhanced design
Improved Bio-Energy Enhancement
Long Life Consumables

Built to International Electrical Safety
Isolation Standards IEC60601.1
Compliance to CE Mark

CLASS II Equipment,
Type B Applied Part. Safety: extra low
voltage isolating DC Power Supply.

Output: Isolated, Rectified and Filtered,
28Vdc, 3Amps.

Dimensions: 10.4cm Diameter (orb only)

Weight: 198grams (orb & internals only)
